

KIT INFORMATION AND FOOT SELECTION

Kit Includes the following hardware and supplies of high-quality, furniture-grade components:

- One 6" piece of foam pre-cut to an 18" diameter, beveled on top, outside edge and center marked for the button location
- One piece of 17" diameter plywood with holes for button tufting and T-nut installation predrilled.
- Eight T-nuts used to attach bun feet installed in the wood round (select outer holes for narrow bun feet and inner holes for wide bun feet), and foam glued to the plywood round
- One 36" x 36" piece of upholstery grade fiber (batting)
- One 2 1/2" button form
- Four 18" pieces of cord (used to attach the button to the tuffet form). This will not break!
- Two yards of tufting cord for gathering the bottom. This will not break!
- Four finished bun feet with hanger bolts installed*

Also – The Tuffet Pattern will be included in the cost of your kit.

*Note: Please select which **style** and **color** feet you would like for your kit from the picture below, then fill out the **Foot Selection** form on the Event page.
