

Pointed Comments Supply List

Pointed Comments using a fun “guided improv” technique to create lovely, long sharply pointed diamonds with no paper piecing or templates required. All you need to do is relax and enjoy the slightly “wonky” diamonds as you work on your project!

Required Materials:

- Pointed Comments Pattern
 - Available for purchase at www.tamarinis.com
 - Optional kit available for purchase at www.tamarinis.com
- Patience
- A sense of humor

Fabric:

- Fabric A (Diamond 1,2) ¼ yd
- Fabric B (Diamond 3,6 Placemat) ¼ yd
- Fabric C (Diamond 4,5, Placemat) ¼ yd
- Fabric D (Background) 2 ½ yds

**please note requirements are for table runner AND (2) placemats. If not making the placemats, you will not need to cut fabrics listed for placemats.*

Sewing Supplies:

- Sewing Machine (don’t forget your power cord and foot pedal)
- Thread
- Scissors
- Rotary Cutter
- Rotary Mat (18” x 24” or larger)
- Rotary Ruler (suggest 6” x 24” or longer)
- Chalk Marker (Clover chalko liner works great) or other fabric marking tool
- Best Press

Some General Notes:

- ◆ This technique works best with a darker background. Due to the construction technique used, if your background is significantly lighter than your Fabrics A, B and C, you will get some shadowing.
- ◆ This technique yields inexact blocks – that’s the fun of it!
- ◆ Warning: This technique may be addictive!

Before session, please:

- Cut all fabrics per the pattern. Label your cuts by size for quick piecing. *There is a bit.ly link on page 2 of the pattern that provides a printout of labels for all cuts if you want to use that.*
- **Have a practice set of fabrics – cut:**
 - **Practice Diamond: Cut (1) 3 ½” x 18 ½” rectangle (Diamond 3)**
 - **Practice Background: Cut (4) 3” x 11 ½” rectangles (3” diamond backgrounds)**

Please note that we will be working on the table runner in class.
However, we WILL a practice diamond to familiarize you with the technique.
