Pattern = \$8 per student

Class Description: Let's have FUN with your stash! This is a stress-free way to create a FABULOUS log cabin block (12" x 12" square or 15" x 15" square finished) in a creative non-traditional way. Make your squares from the same color family OR in light/medium/dark fabrics. Michele will discuss how to make 7 different quilt sizes with this block adapting the quilt size to fit *your* bed!

Class Requirements:

- * Be able to sew an accurate ¼" seam.
- * Be proficient in rotary cutting.
- * Have your machine set-up, threaded, and ready to go so we can start the class on time!
- * Be ready to "put the pedal" (sewing machine, that is) to the metal, and have FUN!

Materials List - * yardage based on a 40" width

- * **Sewing machine** in good working order with a new sewing machine needle – remember the foot pedal!
- * 60+ assorted scraps and strips (combination of 2" - 4" squares, and 1 1/2" - 3" wide strips x 21" long (various colors, textures, prints) – the more the merrier!
Note: Bring more squares/strips if desired as I am planning on having you complete 3 - 4 blocks.
- * One spool of 100% cotton thread - neutral color
 - * This is a SUPER way to use up spools of thread so any color that you have will be fine.)
- * Rotary cutter (with a new blade)
- * Acrylic rulers - (1" x 6"; and 5" or 6" square); and a 4" x 14"? – really use whatever you have, please.
- * Cutting mat
- * Basic sewing supplies
